Tire Shield is a contract of protected coverage strictly for road hazard damage to tires on new and pre-owned vehicles. Road hazards are those unusual conditions that may occur on the highway such as pot holes, nails, glass, and other hazardous materials. If it becomes necessary to repair or replace one of the tires on your vehicle because of a road hazard condition, Tire Shield's Road Hazard Tire Protection offers you peace-of-mind protection you've been looking for.

TIRE SHIELD COVERS:

- The cost for repair required on your tires for covered damage
- The cost for the replacement of any tire unable to be repaired, no pro-ration adjustment, or deduction required from you
- The cost for the replacement or repair of your rim due to damage caused by tire failure of a tire protected by Tire Shield
- The cost for the mounting and balancing of replacement tires
- Up to \$100 for a road service call on a related claim covered by the contract
- All sales tax related to repair or replacement of a covered claim
- The tow vehicle or the vehicle being towed while connected to a covered unit

Note: This brochure is not a contract and the contents are only to provide a summary of coverage. Refer to your contract for terms, conditions, and exclusions of Tire Shield's Tire and Rim Protection Plan. ©2015 Tire Shield, Inc. All Rights Reserved. Rev 5/15
